NEXT WEEK AT THE BOOKER WASHINGTON

23rd and Market Streets

BYRD-EMING CO. FILMS CAP
WITH CREDIT AT THE
BOOKER WASHINGTON

The Byrd-Eming Company is playing a return engagement this week to the Booker Washington theatre. The company made a record for the past season by making connections in this city here for the opening date. The engagement was cancelled until some future date.

The Byrd-Eming Company is filling the space in the famous satisfaction of the night crowd. This set of Byrd-Eming surely have the edge when it comes to dispensing humor. Their songs and dances by the girls are really and artistically done. There are a number of comedy situations in which Byrd and Tully keep the crowd laughing.

The playlet attached to the program is a domestic comedy drama arranged, as usual, around the sufferings of one of a married couple. This time it is the woman. Of course, she is "ruined up" by the husband and his friends are many. There's the inevitable retribution in which the errand boy is in law, from the country, come into their own.

One couple's feature in the playlet is the arrival of Leahy. This performance is an artist with the versatile ability to portray most any character role of a serious nature. This week as the wronged husband, he is making over creditable shoulder and with the appreciation of the audience. The entire program is entertaining and the performers are rewarded with much applause.

NEXT WEEK
Owing to a change in the routing of acts, due to the failure of the Joe Bright Company to reach St. Louis in time to fill a two-week engagement beginning last Monday, the bill for the Booker Washington for next week had not been completed when the Argus went to press. The patrons can feel assured of a star selection, however. The African Veiled Prophet promises to rival the theater coming during Tuesday evening.

JACK JOHNSON KNOCKS OUT
CUTLER IN MEXICO

MEXICO CITY, Sunday, Sept. 29.—Jack Johnson, former heavyweight champion of the world, knocked out Kid Cutler in the sixth round of their 25-round match here late morning. Johnson is in shape to stage a double "come-back," back to his country and back to the heavyweight championship.

"DADDY LONG LEGS" AT THE
JEST-A-MERE THEATRE

Mary Pickford, in "Daddy Long Legs," will be shown at the Jest-A-Mere Theatre this Sunday and Monday. The story is of a child who has been thrown upon the world a few hours after birth by her unknown parents. She is found a few miles from an orphan, by a policeman, taken to an orphan asylum and given a name from a telephone book. The child is filled with the most delicate and artistic manner throughout, and she is the truly big success of the film world. By romanticizing the orphan and the child, it is a picture of a rebellion and teaches a moral lesson for old and young.

In addition to the "Daddy Long Legs" on Sunday, Mr. Pitman has arranged for a special matinee for Monday, at 2:30, after school, so that all the children may have a chance to see this wonderful picture.

See Helen Holmes in her greatest serial, "The Fatal Fortune," on Sunday and Monday. "Paid in Full," Dorothy Phillips in "Paid in Full," and "The Fatal Fortune" are the new features.

"WHOM THE GODS WOULD DESTROY" AT THE
CRITERION THEATRE

"Whom the Gods Would Destroy" at the Criterion Theatre will show in "A Man Thinks" on Saturday and Sunday. The story is of a child who has been thrown upon the world a few hours after birth by her unknown parents. She is found a few miles from an orphan, by a policeman, taken to an orphan asylum and given a name from a telephone book. The child is filled with the most delicate and artistic manner throughout, and she is the truly big success of the film world. By romanticizing the orphan and the child, it is a picture of a rebellion and teaches a moral lesson for old and young.

"NADIA" AT THE

That Fountain Of Youth

Old Ponce De Leon gave his life all in vain, in search for that wonderful fountain of youth. And so would you perhaps give all that you possess to have your youth restored. Have you ever thought of how much younger you would look, how much younger you would feel by having all of those broken down teeth (i. e. if you have any) removed or crowned, lost ones replaced and decayed ones properly treated and filled.

"Plough's Black and White Toilet Preparations Always Please."

YOUR HAIR CAN BE MADE

Long, Soft, Glossy, Easy to Brush and Comb, and Dress to Become Your Style of Beauty.

Women and men—women especially—are more and more realizing how much beautiful, soft, glossy, long hair adds to their attractiveness and popularity. You know you often forget a name but not the face of a pretty woman—one who has beautiful, soft, wavy hair.

To Make Your Hair

long, soft, wavy and glossy, you must use a dressing that will destroy all dandruff, keep the scalp clean and free from disease and dirt. The ideal hair dressing must contain those ingredients that go directly to the roots of the hair and invigorates its growth. And naturally one prefers the use of a dressing that is pure white and delicately perfumed.

A White Hair Dressing

Black and White Hair Dressing is a white preparation of the highest quality. The oils and other ingredients used are recognized by beauty specialists everywhere as having merit for promoting the growth of the hair. Black and White Hair Dressing is delicately and delightfully perfumed—it has an odor that is distinctive. This new white hair dressing is the best that has ever been offered the public for the money.

How to Make Your Hair Long, Soft, Glossy and Wavy

Black and White Hair Dressing should be applied both night and morning, the length of time dependent

upon the condition of your hair and scalp. The hair and scalp should first be thoroughly cleansed. [There is no better shampoo than Black and White Soap.] Dry the hair well, then gently massage little bits of Black and White Hair Dressing into the scalp. Do this night and morning for one week; then shampoo the hair again. You will find your scalp will be free from dandruff; your stiff, wiry, curly hair becoming longer, softer and easier to brush and comb.

How to Make Your Own Shampoo.

Black and White Soap, as sold in cake form, is about the best cleansing agent that you can use, but some prefer a liquid soap for shampoo. Do this—thinly shave about one-quarter of a cake of Black and White Soap and place in a pint of boiling water. It is ready for use as soon as it cools.

If your druggist cannot supply you with Plough's Black and White Hair Dressing and Black and White Soap, send 50c to us and both will be mailed postpaid, or, four packages of Black and White Hair Dressing and one bar of Black and White Soap [a \$1.25 order] will be sent postpaid on receipt of \$1.00.

The mark on toilet preparations guarantees highest quality.

You Can Make Good Money Easy.

If you have just a little time to spare each day, you can make big money supplying your friends and neighbors with this new Black and White Hair Dressing. Write Plough Chemical Co., Dept. N., for full particulars.
